KUBOTA 4WD DIESEL UTILITY VEHICLE

RTV-X1130

For Earth, For Life
Kubota

BUILT TO OUTWORK

The #1 selling diesel pure utility vehicle in North America grows with the addition of the new RTV-X1130. This long bed model holds true to the legacy of the RTV-X Series with the Kubota Diesel Engine, VHT-X transmission and hydraulic dump box and power steering that have made the X-Series so popular. With it comes a suite of new features like the long bed cargo box, ProKonvert functionality, and new cargo box accessories represent capability re-imagined. No matter what job you have to get done, or how you like to spend your free-time, the RTV-X1130 is built outwork!*

*Based on Power Products Marketing North American 2022 sales data for the pure utility vehicle (PUV) segment.

TOUGH & DEPENDABLE
POWER YOUR PRODUCTIVITY
CAPABILITY RE-IMAGINED

TOUGH & DEPENDABLE

Full Steel Frame/CV Joint Guards

The high-rigidity steel frame isolates the occupants from noise, vibrations, and harshness. With structural strength that few in the industry can match, this durable frame can take years of punishment from heavy loads and rough terrain*.

*See owner's manual for details.

VHT-X (Variable Hydraulic Transmission)

Kubota's VHT-X provides exceptional performance on various terrain with smooth and powerful acceleration. Low-speed driving is made exceptional through smooth throttle control, great traction and maneuverability with or without loads.

Wet Disk Brakes

The RTV-X series uses multi-disk wet brakes which provide long brake life. You'll also feel more secure, especially when traveling down long inclines, knowing that dynamic braking is helping to provide additional braking power and greater driving control.

POWER YOUR PRODUCTIVITY

6ft Long Cargo Bed

It's not enough to get you there and back. You need to get your stuff there and back, as well. This heavy-duty 6ft steel cargo bed can do that for you, carrying more than a half-ton (1212 lbs.) of tools, firewood, gear, supplies...whatever you need to haul from here to there and back again.

Standard Hydraulic Dump Bed

Dump sand, gravel, turf, or just about anything you can think of, from the RTV-X1130's whopping, 26.1 cu. ft. capacity cargo bed. Cargo that could take significant physical strength and time to unload can now be dumped with little effort in mere seconds.

Height Adjustable Suspension

Regardless of the terrain or load, independent suspension on all four wheels helps to ensure an exceptional ride. Kubota's Extra Duty IRS (Independent Rear Suspension) technology is durable and powers your productivity.

CAPABILITY RE-IMAGINED

Prokonvert Cargo Bed

Foldable Side Panel

Tool-less Flatbed Conversion

**Full Steel Cargo with
Spray-on Bed Liner**

GEAR UP AND CUSTOMIZE YOUR MACHINE

Cargo Bed Winch

Led Light Cargo Panel

Tailgate Extender

Storage Box

Most existing Kubota accessories are compatible with the RTV-X1130.
