

Kubota**NOW** FEATURES

-  **GPS**
Keep tabs on the location of your machine.
-  **GEOFENCE**
Create digital boundaries and get notified anytime your machine enters or leaves that boundary.
-  **RESTART INHIBIT**
Secure your machine by remotely preventing your machine from being started.
-  **ALERTS**
Receive real-time notices and important notifications when your machine is being transported, enters or leaves a geofence, is due for maintenance, and more.
-  **MACHINE STATUS**
Know what is happening with your machine, if it's on or off, running or stationary.
-  **BATTERY LEVEL**
Know the status of your machine's battery at all times.
-  **FUEL / DEF LEVEL**
For equipped models, know the fuel and/or DEF levels at any time.
-  **COOLANT TEMP / HYDRAULIC TEMP**
For equipped models, stay on top of coolant temperatures and hydraulic oil temperatures.
